One night I dreamed a dream.  
As I was walking along the beach with my Lord.  
Across the dark sky flashed scenes from my life.  
For each scene, I noticed two sets of footprints in the sand,  
One belonging to me and one to my Lord.

After the last scene of my life flashed before me,  
I looked back at the footprints in the sand.  
I noticed that at many times along the path of my life,  
especially at the very lowest and saddest times,  
there was only one set of footprints.

This really troubled me, so I asked the Lord about it.  
"Lord, you said once I decided to follow you,  
You'd walk with me all the way.  
But I noticed that during the saddest and most  
troublesome times of my life,  
there was only one set of footprints.  
I don't understand why, when I needed You the most,  
You would leave me."

He whispered, "My precious child, I love you and will  
never leave you  
Never, ever, during your trials and testings.  
When you saw only one set of footprints,  
It was then that I carried you."

Celebration of Life Message: Pastor Dave

We are so grateful for your attendance today. The love and support of family and friends has blessed us tremendously during this difficult time.  
-Jane's Family

And God shall wipe away all tears from their eyes;  
and there shall be no more death, neither sorrow,  
nor crying, neither shall there be any more pain: for  
the former things are passed away.
