“ I am SO sorry to hear of the passing of Mrs. Grubb. I will always remember her and her husband from years at Camp Maria on Mother's Day weekend. Most recently, she had made a few masks for me. May she Rest In Peace. And my prayers are with her family at this time.

“ I met Karen about two years ago at a chance encounter at our nail salon. From that moment on we were friends and became really good friends. I will miss her kindness, energy, huge heart, sense of humor and thoughtful thoughtful advice. And I can't forget her fabulous nails... She always did the coolest designs. Getting her nails done made her really happy. Karen, You are one of the coolest people I have ever met and you are forever in my heart. I love you.

“ Our daughter (2.5 years old at the time) formed a very special friendship with Lynn and Karen when we moved across from them in 2011. After Lynn's passing 5 years ago, she started visiting Karen weekly "to water her plants" .. and to talk about school, friends, books, play dominos and share a movie and popcorn. The two of them were kindred spirits. There was such a special connection between them.

Karen treated us and our three kids like family. What a special treat it was when she could join us for holiday BBQs. She was an excellent cook, and she had the best stories. Her door was always open, and she gave us so much of herself .. love, wisdom, encouragement, sense of fun, enthusiasm for life .. the list goes on. We will forever be grateful for the stories and the memories we shared and all that she taught us and our kids.

Blessed is a child who has had a Mrs Grubb in their childhood. Our kids will always know they are loved and valued for exactly who they are.

“ Karen and Lynn both were probably one of the “Best” neighbors we have ever had. I will always cherish Sunday afternoons with Karen after Lynn passed. Karen was a very generous friend!

“ Karen made a beautiful quilt for my great granddaughter Kinsley. I have only lived down the hall for a little over a year but enjoyed Karen’s friendship! She is now with her husband and at peace. 🦋🦋🦋
